

REMARKS

Claims 1-11 remain pending in the present application. Claims 1 and 11 have been amended. Basis for the amendments can be found throughout the specification, claims and drawings as originally filed.

Claims 1 and 11 have been amended to delete the term "fully" from the description of the second position of the blow-mode changing door. As illustrated in Figure 3B, in the second position (foot mode) a small gap is defined between door 39 and cylindrical portion 36. Therefore, air is allowed to flow to face opening 37 as shown by arrows E1, E2.

REJOINDER

Applicants respectfully requests the rejoinder of Claims 6, 7, 9 and 10.
